February Minutes: approved

Old business

- Dreambox: family response to surveys was great, very little staff feedback about it. We can't justify the expense for next year as we don't feel it's a significant value add to our math teaching and learning
- Thinking about putting resources toward professional learning focused on math discourse
- Take dreambox out of the school improvement plan
- Share resources with families - many teachers have games, links on their website, district math matters website

School improvement plan 2019-2020

- Drafted goals, strategies, and outcomes
- Projected on the board, individual copies of draft
- Co-wrote together

Meeting adjourned at 5:20
